Midway Park Survey

Q12 Do you have any other comments, questions, or concerns?

Answered: 29 Skipped: 98

#	Responses	Date
1	It would be wonderful if my family had a safe place to ride bikes and take a walk. A playground in our area instead of driving to Virginia is a great plan since there are so many families in Midway.	4/30/2017 8:38 PM
2	Something in Midway needs to be done. Teenagers are destroying the park with graffiti and their trucks and atvs are tearing up the grass. Speed bumps need to be installed. Midway has a lot of traffic and the number of people who come speeding through midway is ridiculous.	4/30/2017 4:29 PM
3	Thank you for working towards making our parks better!	4/30/2017 1:59 PM
4	current facilities are under-utilized, real lack of pedestrian vs vehicle incidents, traffic jams etc. mitigate against the necessity of "walking paths" for many lazy dog owners to allow their animals a new place to defecate. Sidewalks, curbs and gutters however.....	4/30/2017 9:39 AM
5	Would love to see a ball field and the tennis courts renewed such a shame they were left to rot over the years. Out kids would have enjoyed both very much. Great family activities for ALL ages.	4/29/2017 10:55 PM
6	Although we do not have children at home, we have five grandchildren who visit weekly. We enjoy taking them to parks. We would love to see improved parks in Midway.	4/29/2017 12:45 PM
7	My Children are adults but I have teenage grandchildren that visit often	4/29/2017 11:30 AM
8	I don't think Midway needs another park. The 2 we have are not kept up by the city and only get trashed by older kids. Totally unnecessary!!	4/27/2017 9:46 PM
9	Although I have no children living at home, I feel it is important to have park facilities available for the families in our area who would benefit from them. For myself, well maintained walking/hiking trails would be very welcome. There are no sidewalks and very few road shoulders in Midway, so it is not a very safe place to walk. Adding to this situation is the fact that Midway is the very last on the list for spring road cleaning and winter plowing. Also, this may not be a City of Virginia issue, but it is crazy that I live less than one mile from the bike trail system "hub" and cannot access it except for highway or muddy and dangerous trail access!	4/27/2017 4:11 PM
10	I suggest a wheel park where both skateboarders/BMX bikers would have a place to practice. Especially since everything is on hill. We need a flat place for the older kids and teens to use their boards and bike on. These are the ages that need something to do and a place to go.	4/27/2017 1:41 PM
11	The reason we don't use the park on Vermilion is because there isn't much to do. The swings are often messed with to a height due to being wrapped around the top bar that my children can't use. The metal slide is often too hot in the summer to slide down. Those are the only options. The play set we have in our backyard has more options to play on. It would be nice if our neighborhood had nice walking paths. Or somewhere in Midway a nice newer playground like the one at South Side Park. We would walk down to taconite if a play area like that existed.	4/26/2017 9:56 PM
12	We have heard that the local ATV club approached the city regarding a trail in Midway(Bourgin Rd). We would NOT be in favor a that.....	4/26/2017 7:34 PM
13	This survey doesn't apply to me, because all my children are adults.	4/26/2017 6:41 PM
14	My children are grown but I have grandchildren that would use a park in Midway. The children that live here in Midway should have a park to play in, basketball courts to play on and a skating rink to skate on. Families would use any type of out door activities the city would try to develop. Frisbee golf or a mini golf course would be great or even a horse shoe pit or bocce ball court would be great. Anything here in Midway would be wonderful.	4/26/2017 6:19 PM
15	Definite concern about policing area. At the present time we have observed vandalism, dumping of trash, questionable transactions, trucks tearing up area and questionable behavior of individuals. This is occurring at the old Midway School site and surrounding woods.	4/25/2017 8:47 PM
16	Anything to upscale parks and recreation in my area I'm all for :)	4/25/2017 7:46 PM
17	Would like to see better up-keep of hockey rink and also a baseball/softball field in Midway.	4/25/2017 4:28 PM
18	I have grandchildren who use the parks. I know many other grandparents in the area that would love to see a better park system in Midway.	4/25/2017 3:10 PM

Midway Park Survey

19	An update to the existing parks would be phenomenal. There are a ton of kids and parents in Midway that would benefit. This is very exciting news.	4/25/2017 11:35 AM
20	Think it's a great idea too late for my kids we always had to bring them to Virginia or Eveleth	4/25/2017 11:33 AM
21	Whose TAX Dollars are going to pay for this park and its up keep	4/25/2017 9:52 AM
22	The midway school site would provide the space for many park activities including parking and the creation of a sledding hill.	4/13/2017 11:49 AM
23	The streets in Midway, especially the frontage road are in poor condition.	4/12/2017 8:22 PM
24	We would like to see Midway revived & a safe fun place for families.	4/12/2017 8:17 PM
25	Be sure there is a plan to upkeep equipment. Be sure that the equipment is put in correctly; example slides not too far off the ground. Concerned with what they will be using to fill the playground area with. We need a progressive approach, not sticking to the same slide and swings; I'd like to see something creative. I couldn't make the last meeting, but as a parent and teacher, I would like to contribute any way that I can. Thank you! 218-780- [REDACTED]	4/12/2017 2:51 PM
26	Save your money and spend more on law enforcement	4/12/2017 12:22 PM
27	I would like to see our parks in Moses get a face lift but I would also like to see them cared for and not wrecked by our youth.	4/12/2017 9:29 AM
28	I constantly hear about this splash pad thing from one member of the city council. As a tax payer I'm not willing to maintain a piece of equipment that can be used for a couple weeks in the summer time when it's warm enough. It would be great to see the parkway used for something other than a drag racing strip for snow mobiles all winter and ATV's in the summer. There's signs up now but the rules are never enforced due to the lack of any police presence in midway.	4/10/2017 10:51 AM
29	Easy access to the Mesabi Trail would be great!	4/8/2017 9:47 AM
